## GROUP TICKETS

Organizing a group has never been easier. An Account Executive will work with you to choose a game and a seating level to ensure that you get the best seats available for your outing.

Based upon the popularity of the Silvertips it is recommended that you book your group outing at least 30 days in advance.

The Silvertips can also create a special website address for your group outing that will allow individual members of your group to purchase tickets to your outing on-line thus eliminating work from the group organizer.

When you purchase 15 or more group tickets to a select game, you will receive the following amenities!

- Save up to \$6.00 discount per ticket / no additional fees
- Block seating for your group
- Your group's name displayed in a welcome message on the Comcast Arena scoreboard
- Discount coupon to Silvertips Team Store
- Two bonus tickets to a future game

Group tickets are also available during the playoffs for groups of ten or more.
